PROFESSIONAL EXPERIENCE

Project Manager – Counter-Unmanned, Electronic, Cyber and Space Operations – Fort Bragg, NC United States Army Special Operations Command (USASOC) – Special Missions Unit

March 2022 – Present

- Lead and advised a high performing 10-member team responsible for global strategic initiatives and managing a portfolio of \$40M on time and on budget.
- Developed, and supervised six managers and four administrators, fostering a collaborative team culture and applying effective conflict resolution strategies to drive operational success across international projects.
- Spearheaded the formulation of acquisition strategies that support Research, Development, Test and Evaluation (RDT&E), Operational and Maintenance (O&M), and Procurement (PROC) funds, resulting in the successful acquisition of seven semi-autonomous mission-critical, artificial intelligence enabled, and lifesaving equipment against one-way drone attacks from adversaries.
- Authored and presented documentation to the Board of Directors and C-Suite executives, securing an additional \$125 million in Congressional funds to accomplish the organizations goals and objectives.

Applied Technology Directorate Operations Manager – Fort Bragg, NC United States Army Special Operations Command (USASOC) – Special Missions Unit

January 2021 – February 2022

- Hand selected by a Chief Operations Officer to be the inaugural Operations Manager to lead and conduct coordination across three divisions, successfully overseeing 150 global exercises and operations.
- Directed daily operations for a 400 personnel Directorate, managing both domestic and international activities to ensure seamless execution.
- Coordinated all taskings and requirements both operational and administrative within the Directorate primarily responsible for direct support to multi-national operations boosting productivity by 75% which included increased procurement, operations and logistical support.
- Supervised and developed a 10-person team responsible for planning and executing global training and operations, achieving a 100% training success rate.

**Team Leader and Assistant Team Leader Special Activities Troop – Fort Bragg, NC
United States Army Special Operations Command (USASOC) – Special Missions Unit**

July 2019 – December 2020

- Led a six-man team in the preparation, training, and equipping for real-world global missions in support of national security objectives.
- Conducted a five-month operational project supporting Presidential Priority Objectives, collaborating daily interactions with Senior Department of Defense and Department of State officials, Intelligence Communities, the US military, and partner forces ensuring full mission transparency.
- Responsible for the training and execution of overt, low visibility, and clandestine projects in politically sensitive environments where a military signature is prohibitive or as part of a joint force effort
- Commanded the assault force on contingency operations while maintaining 100% accountability of all personnel, equipment, and over \$15M of contingency reserve assets in multiple currencies.

Team Member/Special Missions Team Member – Fort Bragg, NC

United States Army Special Operations Command (USASOC) – Special Missions Unit

November 2012 – June 2019

- Team member of an operational and special mission team with a budget of over \$10M.
- Responsible for planning and conducting over 200 multi-faceted operations, Presidential assigned missions, and other global areas of interests resulting in 100% success rate and accountability.
- Trained over 500 international associates and teams in daily operations and other sensitive compartmented activities increasing their productivity and success rate by 75% which included planning, operational and logistical knowledge.
